# Introduction

you have  
come  
across  
one ? is  
with ?

no its just  
that ... but  
is

what ?

is  
like ?

it is  
only  
a rumor

and ?

?

Oh  
yes

whereas  
that that is  
the kind of  
rumor that  
is spread  
by  
word of  
mouth

what  
?

and  
it  
is

its just  
that ... it  
surprised  
me

no  
is  
nothing

They say that  
they expect us  
to let down our  
guard and  
provide  
national  
disasters.

You know,  
its kind of  
hard to talk  
about it

I don't  
remember  
much about  
the story  
then.

One day,  
our guests  
disappeared  
without a  
trace!

every night they  
are engaged at  
some rituals  
and they need  
something  
for that!

It's  
difficult  
to know  
the truth  
on this  
matter.

they  
...

... I am  
checking  
the  
equipment

an accident  
will  
happen  
to you!

ha  
...

but these  
stories are  
a taken sub-  
ject of the  
village

right,  
grand  
father?

humpf!

Don't  
say silly  
things!

thanks  
again  
take care

we do that  
because we  
have been  
helped by  
your family  
and that is  
our job but ...  
we are only  
parents!

During the  
summer, we  
are very  
busy with  
the field  
work!

Good,  
now we  
return!

good  
...

You're  
going  
back  
already?

a  
festival  
is?

yeah, well  
we will be  
very busy  
with this!

by doing  
the usual work  
for the  
festival

might  
that is  
good  
grand-  
father

other  
nations  
is  
...

ooh  
!!

yes, the  
festival  
of spring

you have  
some  
festivals  
in your area  
is?

how do you  
celebrate it  
?

well

if you  
continue  
like this, we  
will never  
leave from  
here  
!!

I have  
never  
attended  
one! How  
is it?

it has  
to be  
funny,  
right  
?

This is a  
real shame!  
Don't ask us  
to do more  
than what's  
needed!

grandfather  
—

as our village  
is close to  
their property,  
we have all  
subsequently  
been aware  
of this fact  
!!

your family  
informed us  
that you were  
as dead  
to them

yes!!

probably  
right  
—

Miss  
Lovelace  
—

It is not  
because you  
live here that  
everything  
is allowed.

Don't act  
rashly and  
do not  
speak  
lightly.

this may be  
dangerous  
for you  
—

but I  
still want  
to try

— but —

To see  
them  
grow..

It takes time  
and work

but it may  
not be  
sufficient  
to achieve  
something

this is only  
a result of  
frustration  
and success

it's simply  
because  
I had some  
in my house

Thank  
you !!

although I think  
the anthers  
are not hardly  
rather flowers  
or a field !!

It's  
true

...We came to something.

But even

when it all started here

I've decided

and then this tree is the symbol

of all the pains we had

to move my plants

here I

I want to make our lives here more comfortable

too many

well, Good question

I want to do a vegetable garden in this area

I forgot to ask him

Is

One day  
in a garden  
of flowers

all I'm  
saying  
is...

I just  
wanted

to tell  
you to  
persevere  
!

and if you  
need anything,  
just ask me

I will  
help you."

white

Yellow

light  
brown

we can  
not

go back  
to those  
peaceful  
days  
anymore

Telling  
colored  
flowers  
that Ench  
my brother  
and me

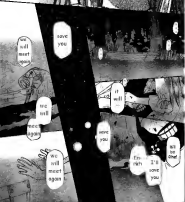

love so  
much

or  
else

choose I

die here.

go in  
exit

go back  
to these  
days

It would  
be nice

we can  
not

I found  
you

I found  
you

you are  
once again

by my  
side

— Yes

Let's try  
to grow  
them ...

You're  
here

I will  
never let  
you go

I won't  
have  
regrets  
anymore

I will no longer  
be afraid of  
feeling  
discouraged

we can

start  
again.

We can  
start again.

We'll  
fill  
this place  
of  
flowers.

once  
again

the flowers  
will grow  
a little past  
before you  
grow them

of  
flowers

were we  
here

this  
place
